Ms. Yvette Spokes and Ms. Manisha – Google Innovator visited the MNV University Campus for Faculty Development Program (FDP) – (A Training Skills Upgrade Initiative), which aims at equipping teachers with skills and knowledge that are essential for inculcating technical or non-technical values in students and guiding & monitoring their progress towards professional career. At the end of the program the faculty members are able to recognize the importance of the role of a teacher in shaping their lives, use the concepts of pedagogy/best teaching practices, apply best teaching practices to enhance learning, coach, mentor and facilities effectively, become aware of the needs for a strong people orientation.
