Memorandum of Understanding
Between
MVN University
And
AcadView Software Private Limited
THIS MEMORANDUM OF UNDERSTANDING (MOU)

1. The MVN University is signing this MOU with its principal office in Patwali, Haryana

2. AcadView Software Private Limited, (hereinafter mentioned as “AcadView”) current office is in D-604, Uniworld Gardens 2, Sector 47, Gurgaon, Haryana, which expression shall mean to include its successors-in-interest and permitted assigns.

The MVN University and AcadView are hereinafter referred collectively as “parties” and individually as “party”.

PURPOSE AND SCOPE

Access to quality information ‘anytime, anywhere’ is becoming the defining mantra for educational digital solution providers in India.

The MVN University lays stress on the need for a radical transformation of the education system to improve its quality at all stages, bring transparency in the processes and gives much greater attention to Science and Technology.

AcadView’s technology has changed the way educational services are offered and enables to take education beyond the confines of institutionalized structure. The AcadView’s software has the capacity to speed up the delivery efforts, bring transparency in the current processes involved and standardize the quality of admissions, course approvals, and result generation. All the above would enable the MVN University to make sure quality education is being given by educational institutions (universities here) without manipulations and frauds. If needed, using the platform, the private universities can securely generate their official mark sheets in a digital form.

The parties hereto mutually agree that technological gap is an important constraint in monitoring the quality of education imparted to the students in private universities in the State of Haryana. In order to overcome this challenge, both parties agree to undertake very simple and user-friendly software using which the university can keep a tab on the quality, frauds, and manipulations.
ACADVIEW's Responsibility under this MOU

1. AcadView to provide a platform using which the MVN University can generate digital mark sheets for students.

2. AcadView provides each university a secure login to get access to the system.

3. Each student to be provided a secure login to view and share their mark sheets.

4. AcadView provides feature to each student to "SHARE" the same with anyone he is a local / foreign university for admissions, corporate for recruitment or a government office that is asking for it via a secure email sent by the platform.

5. Data stored in cloud is in an encrypted form. Highly secure systems in place to avoid any unauthorized entry and leaking of data.

6. The Data stored with AcadView will remain confidential and will not used for any selling purposes and will remain the property of the university.

7. AcadView shall be initially responsible for few staff members trainings at the university.

8. The AcadView's team will assist in the integration of data (data file to be provided by the university) and also for the generation of reports.

9. AcadView shall not be responsible for incorrect data uploaded by the university. Uploading of incorrect data may lead to incorrect reports, mark sheets (transcripts) and AcadView can't be held responsible for the same.
The MVN University’s responsibility under this MOU

1. MVN University to provide required university, student data files for integration.

2. MVN University to upload the data file (.xls, .csv, .txt) or use their DB in a format given by AcadView in the application so as to generate the required reports to be used for quality checks on admissions, course approvals, results.
