Celebration of Engineer’s Day (15th September 2016) @ MVN University

Organized By: School of Engineering & Technology, MVN University

The Engineering Community across India celebrates Engineer’s Day on 15 September every year as a remarkable tribute to the great Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya on his birthday. MVN University celebrated Engineer’s Day in the campus on 15th September 2016 by organizing various technical and cultural activities.

Here is the detailed description of the event:
1. **Welcome of Chief Guest:** Dr. Rajeev Ratan presented a bouquet to the chief guest **Dr. J. V. Desai** (Hon’ble V.C. Sir) in Block 3:101 at 11:00 AM.

2. **Lamp Lightening and Saraswati Vandana:** Lamp lightening by Hon’ble V.C Sir in the presence of all dignitaries at 11.10 AM, followed by Saraswati Vandana by students.
3. **Formal Opening of Event**: Hon’ble VC sir formally declared the event open.

4. **Address by V.C. Sir**: Motivational speech by Hon’ble V.C. sir delivered a motivational speech to the students regarding Engineer’s Day. He also told that Engineer’s day is celebrated on 15 September every year on birthday of Indian Engineer **Bharat Ratna Mokshagundam Visvesvaraya**. Sir M. Visvesvaraya was a very great engineer in India and also the first engineer. The dams built by him are still functional even today, a testimony to his brilliance, skill, honesty and
dedication. He also motivated the students became a good engineer like as M. Visvesvaraya.

5. **Skit by Students**: Afterwards, there was a skit by students the message of which was “Never Give up”. It was a short drama based on the technical life of the Engineering student. The skit was quite inspirational for the students.

6. **Pick and Perform Game**: In this game, the participants (Students and Faculty members) were supposed to pick a slip and performed the task whatever written inside the slip. Majority of students participated in the event and as a token of
encouragement Pens/Chocolates were distributed to the every participant and winner was Mr. Naresh from Diploma 5th SEM (Mechanical Engineering) after performing a record breaking dance.

7. **Tongue Twister Game**: In this game, the participants repeated the given sentence more than three times without taking any break. Many students participated and the winner was Mr. Rai Chandra Mohan from B.Tech 5th sem Electronics and Communication Engineering.

8. **Story making Game**: In this game, the participants were supposed to develop a good with positive attitude story from given words in minimum time. Many
students participated and the winner was Mr. Kunal from Diploma 5th sem (Mechanical Engineering).

9. **Speech by Students**: A technical speech on Embedded System Design was delivered by Mr. Jay Kishan and Mr. Pravesh of B.Tech 5th SEM ECE students. In the speech they discussed the importance and trends of Embedded System Design and how the students can contribute to the society by developing new products useful for the society.

Refreshment was given to the students in the Lunch time.
There was a prize distribution ceremony after the all events and the winners were awarded by the gifts/certificates. The event was declared closed formally by Dr. Varun Monga (Dy. Dean - Academics)

The School of Engineering & Technology of MVN University, salutes the great Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya on his Birthday and special thanks to management of MVN University, for giving us opportunity to celebrate this day on a grand scale.
