PRESS NOTE

ENGINEER’S DAY CELEBRATION AT MVN UNIVERSITY

On the occasion of 156th Birthday of Bharat Ratna Sri Mokshagundam Visvesvaraya, Engineer’s Day was celebrated at University campus. The Celebrations was organized by school of Computer Science & information sciences and school of Engineering and Technology. Sep 15 is observed as Engineers Day in India as a mark of respect to Bharat Ratna Sir Mokshagundam Visvesvaraya who was born this day in 1860 and died on April 14, 1962.

Dr. J.V. Desai vice chancellor inaugurated the event by lighting the lamp. On this occasion Dr. J.V. Desai addressed the gathering and spoke about the greatness of Sri Mokshagundam Visvesvaraya and explained Tremendous developments taking place in science, technology and engineering world over and the knowledge has become the new currency of national economics. He further added Engineer’s Day must be a platform to demonstrate the student’s projects and Engineers should be curious and try to go to the depth of the problems and resolve the problems as early as possible. He also explained the principles of Sri Mokhagundam Visvesvaraya which includes integrity, hard work, honesty, and dedication are some of the things we have to follow. Lastly, he congratulated all the participants and audience.

On this occasion various events like Quiz competition, Seminar for all the students were conducted and prizes were presented for the Winners and Runners on the same day.
Reviews from students said that this event has highly motivated them and they also enjoyed to participate in all Technical events. In this regard all the Faculty members and Students participated.

Dr Varun Monga Dean, school of Engineering and Technology and Dr Jayshankar Prasaad Dean school of Computer Science & information sciences welcomed the student, faculty and spoke on the life history of Sir Visvesvaraya highlighted the efforts made by the Engineering community and also made a note on the importance of an Engineer in the World.
