## OFFICE NOTE

### **Deptt of English organize A one day Symposium on Estimate of Health and Economic Loss from the quality of Air we breathe**

A one day Symposium on **Estimate of Health and Economic Loss from the quality of Air we breathe** was organized by School of **Arts Science and Humanities** on 06 October, 2016. The resource person Dr. Tunde, a senior Researcher was from *The INCLEN Trust International, New Delhi*. The talk began with formal introduction of Dr. Tunde by Dr. Devendra Tiwari. The symposium was attended by more than eighty students of Chemistry Honors and B.Sc General. Dr. J.V. Desai the Hon'ble Vice- Chancellor of the university welcomed and conferred the memento to Dr. Tunde and appreciated him for interacting and sharing his valuable thoughts to the students. Further Dr. Desai invited Dr. Tunde to visit university campus in future and interact with the students on the areas of his research and his findings. Dr. Desai did some discussion about sending his students to the research center of Dr. Tunde for internship.

**Dr. Devendra Tiwari, Asst. Prof Deptt of English** welcomed the participants and informed them about objective of the symposium. At the end of the session there was a question round session and it was mind blowing which proved the motive of organizing such types of sessions in form of enthusiastic and happy face of participants who attended the session. The session ended by a vote of thanks and everybody went to their home with a learned mind.
