

**Details of Instrument available at School of Pharamceutical Sciences in MVN
University, Palwal**

S. No.	Name of the Instrument	Year of Purchase	Status	Instrument glimpse
1.	HPLC	2018	Functional	
2.	UV-1800	2018	Functional	
3.	Haematology Analyzer	2018	Functional	
4.	Biochemistry Analyzer	2018	Functional	

5.	Analgesiometer (Tail Flick)	2017	Functional	 <p>The image shows a black and white analgesiometer. The front panel features a central analog scale with a needle, a 'CURRENT ADJUST' knob, and a 'TIMER' knob. The text 'ANALGESIOMETER (TAIL FLICK)' is printed at the top of the panel.</p>
6.	Rota Rod	2017	Functional	 <p>The image shows a Rota Rod device with a black cabinet and a white front panel. A horizontal rod is mounted on a vertical stand. The front panel has two digital displays labeled 'TIMER ONE' and 'TIMER TWO', and a 'CURRENT ADJUST' knob. The text 'ROTA ROD (TWO COMPARTMENT)' is visible on the panel.</p>
7.	Histamine Chamber	2017	Functional	 <p>The image shows a histamine chamber, which is a light-colored rectangular box with a transparent top. Inside, there is a glass flask and a red ball. A red tube is connected to the side of the chamber, leading to a red bulb. A pressure gauge is attached to the front of the chamber.</p>
8.	Actophotometer	2017	Functional	 <p>The image shows a blue actophotometer. The front panel is white and features two digital displays, a 'CURRENT ADJUST' knob, and a 'TIMER' knob. The text 'ACTIVITY CAGE (ACTO PHOTO METER)' is printed at the top of the panel.</p>

9.	Organ bath	2017	Functional	
10.	Electro-convulsimeter	2017	Functional	
11.	Pole climbing Apparatus	2017	Functional	

12.	Analgesiometer (Eddy's Hot Plate)	2017	Functional	 <p>The image shows a blue and white Analgesiometer (Eddy's Hot Plate). It features a digital display in the center showing '0.00'. To the left of the display is a red 'ON' button and a 'WIND' knob. To the right is a green 'ON' button and a 'HEATER' knob. The device is placed on a wooden surface under a glass enclosure.</p>
13.	Capsule Filling Machine	2015	Functional	 <p>The image shows a manual capsule filling machine. It has a hopper at the top for capsules, a central mechanism with rollers, and a collection tray at the bottom. The machine is labeled 'CAPSULE FILLING MACHINE'.</p>
14.	Tablet Punching Machine	2015	Functional	 <p>The image shows a manual tablet punching machine. It consists of a hopper for tablets, a die, and a hand crank on the right side. The machine is blue and silver.</p>

15.	<p style="text-align: center;">Tablet Coating Machine</p>	2015	Functional	
16.	<p style="text-align: center;">Tube Sealing and Crimping Machine</p>	2015	Functional	
17.	<p style="text-align: center;">Laminar Air Flow</p>	2015	Functional	

18.	Clarity Test Apparatus	2015	Functional	
19.	Bulk Density Apparatus	2015	Functional	
20.	Ampoule and Washing Filling Machine	2015	Functional	
21.	Ball Mill	2015	Functional	
22.	Double Cone Blender	2015	Functional	
23.	Ointment Filling Machine	2015	Functional	

24.	Bottle Sealing Machine	2015	Functional	
25.	Seive Shaker	2015	Functional	
26.	Dissolution Test Apparatus (Basket and Peddle)	2015	Functional	
27.	Disintegration Test Apparatus	2015	Functional	

28.	Tablet Hardness Tester (Monsanto)	2015	Functional	
29.	Friability Tester	2015	Functional	
30.	BOD Incubator	2015	Functional	
31.	UV Chamber	2015	Functional	

32.	Tray Dryer	2015	Functional	
33.	pH Meter	2015	Functional	
34.	Autoclave	2015	Functional	

*** To avail any facility the contact person will be HOD/ Dean of department**
