

[Established under Haryana Private Universities Act 16 of 2012]

Area of specialization for research

S.N.	Name of Schools/Department	Broad Area of Research
1	School of Engineering & Technology	
a)	Department of Computer Science & Engineering	Artificial Intelligence, Human Computer Interaction, Human Robot Interaction, Pattern Recognition, Computer Vision
b)	Department of Electronics & Communication Engineering	Renewable Energy, Multi-rate DSP, Digital Image Processing, Digital communication
2	School of Computer and Information Sciences	Network Security & Wireless Sensor Networks
3	School of Business Management & Commerce	Finance , Marketing & Human Resource
4	School of Arts, Science & Humanities	
a)	Department of Mathematics	Mathematical Modeling of Diseases, Fluid Dynamics
b)	Department of Chemistry	Polymers/Material Sciences/Solid Waste Management
c)	Department of Physics	Quantum Physics, Plasma Physics, Solid State Physics
5	School of Law	Criminal Law, Constitutional Law, Corporate Law, Revenue Law
6	School of Pharmaceutical Sciences	Pharmaceutical Sciences Specially Synthetic & Natural Chemistry
7	School of Agriculture	Soil Sciences
8	School of Allied Health Sciences	Bioactive peptides, Food and dairy microbiology, Probiotics and post biotics, Bio prospection of microbes.
